

Council Candidate Biography: Stephen Curtis

What is your occupation?

Senior IT Program Manager

Which subdivision do you live in and how long have you lived there?

I have lived in Idyllwilde for 13 years.

What other governmental service have you been involved in?

I've been a Federal IT contractor for more than 20 years. I spent 5 years as a Law Enforcement Explorer with the Lafayette Colorado Police Department as a teenager and remained a part of that program after aging out as a community volunteer assisting the department in recruiting young people with an interest in Law Enforcement into the program.

What is your educational background?

I attended Regis University in Denver, where I studied Computer Information Systems. Continuing education throughout my career has led to certifications as an Oracle Applications Developer, Oracle Certified DBA and Oracle Certified Applications Administrator. I also hold Project Management and Development Lifecycle Certification Expertise.

What community activities are you/have you been involved in?

I continue to volunteer within my neighborhood, where I served in various positions on the HOA board including President for more than 7 years, and spent time with my wife performing various volunteer activities for our children's school.

What are your hobbies?

Flying, Scuba Diving, Competitive Shooting, and Snowboarding are my main hobbies which I try and fit in as much as possible around the hectic schedule of my busy family.

What made you decide to run for Town Council?

I decided to run for Town Council because I love living in Parker and want to see it continue to thrive with professional leadership from people who are invested in the community. I want to ensure that we remain one of the best places to live in the Denver Metro Area, which I believe can only be accomplished by carefully balancing future development with the "hometown feel" that drew many of us here in the first place.

What will your top priorities be if elected to Town Council?

Attract and retain businesses into the Town; Plan and manage growth that keeps the hometown feel and history of the Town while also providing a growth path that ensures Parker continues to be a desirable place to call home.
