### **What made you decide to run for Town Council?**

As a business leader in our community, I support an efficient government that focuses on business and economic development and always has a forward-thinking view on the quality of life that Parker provides our residents through parks and recreation, growth, commerce and public safety.

### **What will your top priorities be if elected to Town Council?**

Focus on Economic, Business & Workforce Development. Preserve our safe community by actively supporting and being involved with our award-winning police department, support trainings and certification programs to equipped them to serve our community. Support our aging/senior community, they play a huge role in our community's success. We must advocate for much needed infrastructure to bring age-friendly communities to allow for seniors to continue living healthy meaningful lives.
